

2023 IMPACT

RPCs deliver critical housing services to New York families!

RPCs provide vital rural services

12,655 rural New Yorkers received:

- Tenant Counseling & Assistance.
- Financial Counseling (Post-Purchase and Reverse Mortgage).
- Eviction Prevention.
- Mortgage downpayment assistance.
- Homelessness Prevention and Assistance.
- Entering/Returning to Workforce Programs.

RPCs are also leaders in Community Development

- **14,211**- Individuals helped via RPC food programs.
- **502**- Municipalities received RPC assistance with grant writing & administration.
- **564**- Neighborhood associations supported by RPCs.
- **1858**- Youth benefitted from programs provided by RPCs.

Homeownership

\$35,691,845

Value of Mortgages/Loans obtained by low-income buyers & families with assistance from RPCs in 2023.

Safe Homes for New York families

RPCs assist homeowners in maintaining and preserving the housing stock with property rehab projects that improve the safety and accessibility of the home. This allows seniors to age in place, housing stability for families, and a reasonable commute for working people.

- **3,267** home safety improvements completed.
- **4,707** safe, affordable properties managed by RPCs.
